Agenda

1. The Student Course Evaluation Results for 2022/2023 Fall Semester

1. Discussed: Deputy Director of OGEN Program, Elman Kh. Iskandarov informed about the course evaluation results for the fall semester. He said that online course evaluation has been performed on Program, the teachers and course evaluated according to 5-point grading scale. In particular, the level of English language of teachers, the level of competence in the field, the level of awareness about the modern researches, objectivity in exams, motivation of students, interest on subject, students involvement into class discussion, etc. issues were discussed.

It was decided after discussion: Discussion are held with the students on the results of the student evaluation and the teachers who achieved the lowest results. Recommendations, suggestions are given to them and it is decided to provide the necessary pedagogical trainings. Evaluation results list is announced on the Program site http://asoiu.edu.az/new/single_news/2076 and the related decisions are taken:

2. Decision: The teachers who achieved the lowest results are warned to look through and improve their teaching methodology and communication skills with students.

OGEN Program director, _ professor. Elman Kh. Iskandarov.

Secretary _ assoc. professor. Shirin Bakhshaliyeva.
